

This elder brother evidently knows how to play doctor, in real earnest. He knows about Ayer's Cherry Pectoral. His mother told him. Her mother told her, and her grandmother told her mother. It's the one standard cough medicine for children.

## Ayer's Cherry Pectoral

is entirely free from narcotics or poison of any kind. It is the great remedy the world over for colds, coughs, croup, whooping-cough, influenza, la grippe, and all bronchial complaints.

Accept no substitute or cheap and worthless imitation. Be sure you get Ayer's Cherry Pectoral.

Put up in large and small bottles.

## KAMS DEFEAT PUNS IN CLOSE GAME

By far the most interesting game of baseball played this season in the interscholastic league, was played at Alexander field yesterday afternoon between the Kams and the Puns, the result being a defeat of the boys from Punahou by a 4-3 score. Both teams put up a splendid exhibition of the national game, but by hard work and heavy hitting the team from out Kailua way managed to send Bai over the plate in the last half of the eighth for the winning run.

Billy Hoogs, who is playing his last year for Punahou was in the box for the collegians and pitched a good game, striking out several men and only walking one. Rex Hitchcock was on second for the Puns and played his usual fast game being responsible for one of the runs made. The Kamehameha team had three new men in the game who played good ball although they were responsible for some of the errors made. The most interesting features of the game were the running catches of the Kams in the eighth and ninth inning when the Puns were put out in one, two, three order.

### MEMBERS TO SHOOT.

Tomorrow afternoon on the traps of the Gun club at Kakaako, the members of the club will meet in the second and third shoots which will be put up last week, and which was won by Major Long.

On account of the opening games in the championship tennis tournament it is doubtful if every member will be present as some are expected to play tennis. The same conditions will prevail as in the previous shoots, ten birds from known, and ten from unknown angles.

A large list of entries are expected for the all day shoot which will be held next Sunday on the Kakaako range, for which suitable prizes have been offered. Tomorrow's matches will start at five o'clock as usual.

### FORREST WINS RACE.

Defeating four of the fastest roller skaters in the territory, Joe Forrest, winner of the first marathon race, crossed the line last night at the Princess rink in a mile race by the good time of three minutes flat.

From the very start Forrest led, and had little trouble in defeating Perkins who finished second. Forrest seemed to be going much faster than his time would indicate, but on account of the sharp turns on the track was only able to make the mile in three minutes, although he has made much better time in his fast races.

Marcus was finished third is very likely to finish second in the next marathon race which will be run on the night of Memorial Day. Entries for this race open next Monday and will remain open until Saturday night the 28th.

### Y M C A HANDBALL

The following are the results in the matches yesterday for the handball championship of the Y. M. C. A.:

Lewis beat Johnson, 12-21, 21-2, 21-20.

Marcillino beat St John, 21-18, 21-20.

Decolito and Nott will play this afternoon at five o'clock.

### JUNIOR SCHOOL GAMES.

The first game in the Junior interscholastic baseball league will be played at Punahou this afternoon between the Saint Louis and High School teams.

Until the season is over one game will be played each week, and judging from the way the youngsters play in practice, some good close games will probably be played before the season is completed.

### GRAMMAR LEAGUE GAMES.

Two games of baseball will be played this afternoon in the Grammar School league, the games being Kailua vs. Normal, and Central vs. St. Louis.

Practice has been the order of the day for the past week, and as a result today's games should prove interesting to watch.

### POLO NEXT MONTH.

Polo enthusiasts will have plenty of opportunity to see some good games this year judging from the schedule being arranged by the committee who have the matter in hand.

Active practice will be started next month, and games will be played every Wednesday and Saturday during June, July and August.

## OUTRIGGER CLUB PLANS BIG TIME

The Outrigger Club is at it again. That means that there will be a big feast and entertainment, with a surfing carnival thrown in, at Waikiki, the afternoon and evening of June tenth being set for the occasion, the piece de resistance of which will be the McRae Stock Company, the Opera house being closed for that night and the company assisting the Outriggers. It is needless to say that the McRae's come very near owning the club after such a generous offer, there isn't a canoe on the beach that isn't theirs for the taking.

About six hundred dollars worth of tickets have been subscribed for during the past few days by club members, and the public will also be expected to be followed by a chowder and shrimps, and the public will also be in entertainment and dance. There will be room for all as the Seaside and Moana hotels have offered their dancing halls and the big forty by eighty foot lanai of the Outrigger club will be completed in time for the occasion. A night surfing carnival is contemplated, the surfers having at last discovered a light that may be attached successfully to the bow of the board and then there will be a procession of illuminated canoes.

Perhaps the best features will be announced later, as the ladies are now preparing to take hold. The club hopes to raise a thousand dollars for improvements out of the entertainment. The McRae's say this would be a good house for Honolulu, and they ought to know.

XXXXXXXXXXXX tournament have not yet been announced, but they will probably be the latter part of August. Any player in Honolulu who is able to play polo is requested to send in his name at once to either Harold Dillingham, John Fleming or Dr. Balwin.

### CARDEN DEFEATED IN DOUBLES

Playing alone rather than have Littlejohn and Walker win by default, Carden, one of the best tennis players in the High School, was defeated by the score of 7-5 in the first set in the High School tournament on the Beretania courts yesterday afternoon. White was unable to play with Carden on account of illness, but will probably be able to play before the week is over.

In the second set the score was two to one in favor of the pair when the match was called off.

Following are the results of the latest matches in the Manoa Tennis club's tournament:

Wale beat Beardmore, 6-1, 3-6, 6-4.
Steere beat Wale 6-4, 3-6, 6-3.
Irwin beat McIntyre, 6-2, 6-4.
Kelley beat Peck, 6-3, 6-2.
Hemenway beat Schmidt, 6-2, 6-1.

### ENTRIES CLOSE TODAY.

Intending entrants in the singles for the championship tennis tournament which starts tomorrow afternoon

on the Beretania and Pacific club courts, have until five o'clock today to enter, and judging from talk about town last year's list will be almost doubled. Tennis is being played more this year than ever, and for that reason the committee expect a big list.

Entries for the other events which will be played on the completion of the men's singles will close next week and the week following.
